Weekly Events

Tuesdays

Kids

Full Story – Age 4+

Indoor and outdoor games, activities and crafts designed around a story will engage kids and get them moving, laughing and exploring books in new ways. A program sure to spark the imagination and foster a love of reading.

Tuesdays 10:30 – 11:30 am
July 2– August 27

Explorers – Age 4+

Explore and discover what's around you, inside and out, over and under through activities, games and scavenger hunts. This will be outside, weather permitting, so be sure to bring sunscreen, water and a hat.

Tuesdays 1:30 – 3 pm
July 2– August 27

Wednesdays

STEAMology – Age 5+

Science, Technology, Engineering, Art, and Math. By having fun with STEAM activities and programs, you will learn concepts and gain skills that can set you up for creative, scientific, and collaborative thinking now and in the future. Pop in each week to learn and play with new friends.

Wednesdays 10:30–12:00 pm
July 3 – August 21

Astronaut Storytime – Age 3+

Join us for a very special story time with astronaut Starr (aka Cathie Pearl Wentzel), who'll read stories all about space and share a space themed scavenger hunt.

Wednesday, July 24, 11 am

Thursdays – Age 5+

Rock Painting

Rock your rocks! Spend a fun afternoon creating unique designs on rocks.

Thursday, July 4, 2 pm

Drum Circle

Join musicians Cathy Trulove and Dale Sewers for a hand drumming workshop. You'll explore the history of drumming and have the opportunity to create your own rhythms. Bring your own hand drum if you have one.

Registration required.
Thursday, July 25, 2 pm

Space Junk

Build an astronaut or a spaceship out of bits of recycled junk, cardboard and tape and help save the earth

Thursday, August 1, 2 pm

Slime Time

Have fun getting your hands dirty making slime.

Thursday, August 8, 2 pm

Jellyfish Fun

Make your own egg carton Jellyfish, complete with googly eyes and colourful tentacles!

Thursday, August 15, 2 pm

Liverpool Library, 235 Old Bridge Street

902-354-5270

Special Events July

Reading with Royalty - All Ages

Come celebrate inclusion and diversity at our glamorous, family-friendly story time program, led by drag performers Rouge Fatale and RhetTorical. Afterwards, make your own unique button and show your pride!

Thursday, July 11, 2 pm

Music with Mandy - Ages 7+

Mandy Morris is best described as Fred Penner meets Ella Fitzgerald, with their high energy stage presence and unique interpretation of jazz. Mandy will work with the children to write a song based off a story within one session.

Friday, July 12, 2 pm

Discovery Centre @ the Library, Fueling Our Future Science Show - Age 5+

What sources of power do you know? This new demo-filled science show will get you thinking about what energy is and where it comes from. Watch as our scientists perform the flaming hand, create smoke without fire, and test tidal energy.

Tuesday, July 23, 11 am

Dal SuperNOVA Science Camp - Age 8+

SuperNOVA will be delivering fun, hands-on activities that will introduce participants to the various fields of Science, Technology, Engineering, Maths (STEM) and allow them to explore the importance of STEM in their lives while developing critical skills and attitudes for lifelong learning! Lunch break will be supervised, bring your own lunch, snacks and drinks.

Registration required call the Liverpool Library to reserve your spot.

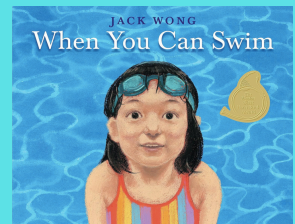

July 16-19, 10:30 am - 4 pm, Liverpool Library, 902-354-5270

Special Events August

When You Can Swim - Age 5+

Join Halifax-based author/illustrator **Jack Wong** as he shares his hit summertime picture book, *When You Can Swim*, and leads participants in a fun collaborative drawing activity.

Wednesday, August 14, 2 pm

Discovering Dinosaurs - All Ages

Brace yourself for an adventure as Tim spills the beans on the incredible journey of dinosaur bones- from dusty digs to dazzling museum displays. Discover the mind- bending geological tales of Alberta and why it's the holy grail for dino discoveries.

Tim's taking you on a crash course in fossilization magic - learn the art of telling rocks from bones and uncover the answers to all your burning dino queries. It's an interactive journey into the heart of the past!

Wednesday, August 21, 2 pm
